# 3. Login to QPMN Plugin

The image displays two overlapping screenshots of a WordPress dashboard. The top screenshot shows the 'Connect to QPMN' step in the plugin setup, with a green button labeled 'Connect to QPMN' highlighted by a red box. Below it are 'Back' and 'Next' buttons. The bottom screenshot shows the 'Logged in QPMN as Kenny Chan Design' step, with a 'Next' button highlighted by a red box. A red arrow points from the 'Connect to QPMN' button to the 'Next' button in the second screenshot. In the background, a 'MY ACCOUNT' login page is visible, featuring a 'LOGIN' section with input fields for 'Username or email address' and 'Password', a 'Remember me' checkbox, and a 'LOG IN' button. The WordPress sidebar on the left includes a 'QP Market Network' plugin entry with a gear icon, which is also highlighted by a red box. The sidebar also shows 'Setup', 'Products', 'Orders', and 'Debug Logs' options.

# 4. Create QPMN Product

Step 1: Account      Step 2: Product      Step 3: Settings

Select a default Product

**Puzzle**   Fanny Pack   Playing Cards   Bayan

Category:  all over print    customisation    personalisation    Shop

Bulk actions [Apply](#)

1.) Product should be created successfully and displayed in the "Products" page

2.) Click "Edit" to change product information

# 5. Edit Product Information

The screenshot displays the 'Edit Product' interface for a 'Simple product' named 'Custom Double-sided 19.25x28 Inch Puzzle'. The interface is divided into several sections:

- Product data:** Shows 'Simple product' selected. Includes checkboxes for 'Virtual' and 'Downloadable'.
- General:** Contains 'Regular price (\$)' and 'Sale price (\$)' input fields. A red box highlights these fields with the annotation '1. Set price'.
- Inventory:** A red box highlights this section with the annotation '2. Set inventory to in stock'. It includes a 'Manage stock?' checkbox (unchecked), a 'Stock status' dropdown menu (set to 'In stock'), and an 'Enable this to only allow one of this item to be bought in a single order' checkbox (unchecked).
- Product image:** A red box highlights the 'Set product image' button with the annotation '3. Set thumbnail on product page'.
- Product gallery:** Includes an 'Add product gallery images' link.
- Buttons:** A red box highlights the 'Publish' button with the annotation '4. Publish product'.

Other visible elements include a left sidebar with navigation options (Dashboard, Posts, Media, Pages, Comments, WooCommerce, Products, All Products, Add New, Categories, Tags, Attributes, Analytics, Marketing, Elementor, Settings, WP Market Network, Collapse menu), a top navigation bar with 'New' and 'View product' buttons, and a bottom text editor for the 'Product short description'.
